

MEDIA RELEASE 4 February 2022

Post-Christmas Party Race Day with Tozer Air February 5th 2022

Newcastle Racecourse is pleased to hold their second Saturday Race Day of 2022, The Post-Christmas Party Race Day with Tozer Air this weekend.

Following Covid restrictions imposed throughout December which saw crowds unable to attend the races, TOZER Air and Electrical have transferred their sponsorship to the 5th of February's Race Meeting.

CEO Duane Dowell adds, "Everyone has endured a lot over the Christmas/New Year break with restrictions and we are starting to see people coming back to the races to enjoy a great social day out which is COVID Safe"

The theming of this Race Day provides an opportunity for business to return to the races for a Post-Christmas Party gathering in a COVID safe environment, including Race Day sponsor TOZER Air and Electrical.

TOZER Air and Electrical have formed a strong relationship with the communities in the Hunter and Central Coast areas through their services and are sponsoring their second Race Day at Newcastle Jockey Club.

Kicking off at 1.20pm with the Tozer Air & Electrical Class 1 & Maiden Plate, patrons are in for an exciting day of racing. The final race will see some horses having their final lead up runs before contesting the Championship Qualifiers starting in March.

Newcastle Racecourse is holding three additional Race Days this February with the Prosperity Advisers Group Race Day on the 12th, a midweek Newcastle Race Day on the 24th and the Master Builders Association Race Day on the 26th. Tickets are available [online](#) now.
